

Testimonials

Dear Selwyn,
Words can not express how grateful we are for your thoughtful support and generous assistance. Your understanding and unselfish consideration was very comforting. Ben's funeral procession was so very special - like he was. I know Ben would have thought the funeral was magnificent.

Our love to you
Laura and Peter

I want to publicly acknowledge the care, attention, and professionalism of Selwyn Allen and his staff, in the way that he looked after my brother and his family. Selwyn's efforts helped them, and all of us, to cope with a very sad and difficult situation.

About Selwyn Allen Funerals.....

A funeral is one of life's special times. It needs to be serviced by the right people.

Selwyn Allen All Faiths Funerals brings almost 50 years of compassion and dedication to you.

The Allen Family
From left: Geoff, Jenny,
Wendy and Selwyn.

We take great care in assisting bereaved families through this very special time. Centred in Mt Waverley, we offer service across Melbourne, and

beyond, tailored to individual needs.

By choosing Selwyn Allen Funerals, families are assured of:

- Personal caring attention from Selwyn, Geoff, or key members of staff
- 24 hour service
- Dependable service from professional funeral personnel
- Moderate costs/charges
- Professional, respectful care of the deceased
- Secure pre-arranged and pre-paid fixed price funerals

We are always happy to give a realistic estimate of total funeral costs either in person, on the telephone or via email.

Helping families....

Some families like to leave everything to us. Others really want to get involved themselves and rely on us for guidance.

No matter what people want, we can tailor our service to meet their needs.

Selwyn Allen Funerals not only caters for funerals in Melbourne, but can also assist with Country Area, Interstate and Overseas arrangements.

Value for money....

The funeral industry has seen many changes. Multinational firms have taken over many of the well known companies. New businesses seem to be starting all the time, often with staff who have little knowledge, experience, or empathy with bereaved families.

"By keeping our overheads low, we are able to give better value at reasonable prices."

We offer a range of over 20 Caskets & Coffins to cater for all tastes and budgets.
